

Disciplinary Policy

Discipline is the responsibility of each teacher. The following discipline system is used at Confidence College in the Gr. 4 - 7 Section. Discipline should be used constructively and is never intended to break down or embarrass a learner. Learners can also score merits which will reflect on a certificate at the end of the year.

The steps of the discipline system are as follows:

Description	Category	Type	Points
Stay away from extra curriculum activities	Level 1	Violation	-1
